First-Time Donors Put County Over Top'Bloodmobile Quota

Eleven 18 year olds helped put the Appomattox County Bloodmobile 100% of quota for this fiscal year. One of them, Roger Fielder (2nd from left, 2nd row) is a third-time donor. DE-ICT director for Appomattox County High School, Tom Elder, said that his students were already helping to load and unload equipment for the Bloodmobile. He urged them, and others, to be donors, too. First time donors (above) include (from left): Nancy Maxwell, Betty Moore and Kenneth Henderson. Behind them; Dennis Chenault, Roger Fielder (3 units given); and Billy Mottley. Top row: Tom Stratton and Milton Ferguson.

A---gallon pin was presented to Robert Austin Fitzgerald last week as the Red Cross Bloodmobile made its final visit of this fiscal year to Appomattox. The county surpassed its goals of 325 units by nine, with a total of 334 units donated in three visits.

First-time donors included Garrett, Laura Martin, Henderson, Dorothy Lee West, Tom Stratton, David Johnson, Betty Billy Mottley, Nancy Hall, Philip Eastman, Dennis Hall and Milton Ferguson.

Co-chairmen of the Bloodmobile project through the Appomattox Junior Woman's Club were Mrs. Larry Harvey and Mrs. Carter. They said Monday, "Please express our appreciation to our faithful blood donors without whom there would be no Blood Program in Appomattox County. Also, our appreciation to King's Market, Coca-Cola Bottling, Co., WMU of the Hope Baptist Church, Dairy, Lewis McDearmon, DE-ICT classes and the Future Business Leaders of America of Appomattox County High School. Thanks, also, to the many other volunteers who worked for their time and efforts. We are grateful to all."

Mrs. Babcock Heads Institute

The final session of the six-week training institute on Positive Peer Culture offered by the School of Social Work of Virginia Commonwealth University in cooperation with the Division of Corrections, the Division of Youth Services and the Probation and Parole Board of the State Department of Welfare and Institutions was held in Roanoke April 12th. The Institute, which was held with a grant from the Law Enforcement Assistance Administration, was under the direction of Dr. George T. Kalif, Director of Youth Services correctional consultant from throughout the Commonwealth were selected to participate in the training program. Trainees selected from the Lynchburg area were John Pickford, State Probation and Parole Officer, and Virginia M. Babacock, Probation Officer II, representative of Judge Harold B. Singleton and the Fifth Regional Juvenile and Domestic Relations Court.

The Positive Peer Culture concept and program, developed under the supervision of Mr. Harry Vorrath, was first implemented at the Red Wing Michigan Center for Group Studies has also served as consultant to the Kentucky State Department of Child Welfare, the Minnesota State Department of Corrections, The Florida Youth Services, the Iowa Training Center and the North Carolina Youth Services. For four years he offered an institute for juvenile court judges and police and probation officers.

Study and discussions led by consultants from the Center focused on the treatment program, the basic concept of Positive Peer Culture: "Delinquent behavior can be contained and modified by giving the individual a positive role in a group process and subculture specifically designed to help young people help themselves"; and the effectiveness of the program in modifying agressive, delinquent behavior.

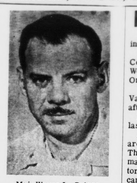
Soar With Scouts!

The Boy and Girl Scout troops of Appomattox County are planning a joint long range beautification plan for Appomattox. The idea behind the project is not only to involve young boys and girls in community activities but also to stress to the county the need to preserve our natural beauty and resources.

The kick-off day for the beautification campaign will be on April 29 which happens to be National Save Our American Resources Day or "SOAR Day." This theme will be stressed continuously throughout the campaign as the Scouts of Appomattox combine to fight for a better world in which to live and grow.

The initial day will feature a march along Route 460 from the Appomattox County High School to Triangle Plaza. After the march, all Girl Scouts and Boy Scouts of Appomattox will be involved in various activities of the afternoon. Some of the events will include the presentation of beautification handbills, distribution of litter bags to citizens, a paper drive and many other pertinent activities.

The Scouts of Appomattox County are deeply concerned about our natural heritage and we sincerely hope that each citizen of Appomattox will not only support the Scouts' campaign but will also realize the importance of saving our county's beauty for posterity.



Maj. Wayne L. Griggs

Receives Medal

ANGELES, PHILIPPINES — U. S. Air Force Major Wayne L. Griggs, son of Mrs. Sue Griggs, Evergreen, Va., has been decorated with the Meritorious Service Medal at Clark AB., Philippines.

Major Griggs was cited for his outstanding service to the United States as assistant chief of the exploratory development branch, deputy for technology, Los Angeles Air Force Station, Calif.

He is now on duty at Clark as chief of maintenance management, 1961st Communications Serice which provides global communications and air traffic control for the USAF.

The major has 24 years of service and has completed a tour of duty in Vietnam.

ROCKS

April 17 – The wind was blowing very hard Sunday afternoon.

A number from here went to Central revival on Tuesday and Wednesday night to hear Rev. Omah Burnette.

Viola Wayne returned from Va. Baptist Hospital Monday afternoon.

Farmers were busy plowing last week.

A hail and rain storm hit around here Thursday afternoon The early wheat was badly damaged and plant bed canvas torn up. Some had to get new canvas.

Viola returned back to Va. Baptist Hospital Thursday. A speedy recovery is wished her Mr. and Mrs. E. M. Almond of Lynchburg spent a few days in the neighborhood last week.

Lewis Dickerson returned home from the hospital Saturday much improved.

A group from here went to Ash Camp Church at Keysville Friday night to hear the singin g group from Bluefield College. Barry Elder was among the singing group.

A 1948 graduate of Hampton (Va) High School, he received his B. S. degree in sociology in 1967 from San Francisco St. College.

Major Griggs was commissioned in 1958 upon graduation from Officer Candidate School.

His wife, Noreen, is the daughter of Mr. and Mrs. Thomas Wilks, Osceola Mills, Pa.

The Quartet furnished music for the 4-H Club Fish fry at Darlington Heights Saturday night.

Mrs. Toby Inge was sick Sunday with a virus. A speedy recovery is wished her.

Mr. and Mrs. Bill Caldwell of Martinsville spent the week end with their son and his family.

Mr. and Mrs. Bill Smith of Florida were overnight guests of Mr. and Mrs. Toby Inge Wednesday.

Miss Ernestine Southall of Norfolk arrived Saturday afternoon to visit her aunt, Mrs. Lizzie Robinson.

A large crowd attended the Lucado funeral Sunday afternoon. Sympathy is extended the family.

New herbicide for soybeans...

AMILON® preemergence herbicide

OUTPERFORMS ALL OTHERS in light colored soils

Many well-known soybean herbicides just don't work well in soils with low organic matter.

AMILON preemergence weed control does. It's a new soybean herbicide specially formulated for use in light colored silt and clay soils. It gives safe, consistent control of pigweeds, barnyardgrass, smartweed, velvet leaf (cocklebur) and many other weeds and grasses.

You can plant your soybeans and treat for weed control in the same operation. AMILON can be applied in bands or broadcast, and permits normal crop rotation. It can be used with conventional tillage, or broadcast on no-till soybeans following small grains.

We have AMILON in stock. Come in and let us match up your soil and weed problems with new AMILON for a clean soybean crop.

AMILON is a registered trademark of Interchem Products, Inc.
